Get some design inspiration
from other customers

THE CUSTOMER

Voyce provides specialized Video Remote Interpretation to the legal, healthcare, and business communities.

THE CHALLENGE

Voyce needed a large quantity of mobile tablets stands for an established hospital in New York. In the medical environment, quick access to interpretation devices can help save lives.

THE SOLUTION

Compulocks' Rise Freedom rolling stand is VESA compatible enabling it to support conventional monitors as well as any of Compulocks custom tablet enclosures.

Get some design inspiration
from other customers

THE CUSTOMER

Magen David Adom (abbreviated as MDA) is Israel's National Emergency Service, providing emergency medical relief via its ambulances and medical centers.

THE CHALLENGE

MDA needed their solution to be shock-resistant, as well as being easily securable as the MDA emergency vehicles often drive at fast speeds.

THE SOLUTION

Compulocks designed a hybrid solution made of high-grade Aluminium Metal and Rubber Silicone Body, custom-designed to the exact measurements of the tablet. This allowed for a durable, solid and timeproof tablet suitable for emergency situations.

Get some de sign inspiration from other customers

THE CUSTOMER

HelloHealth provides the New Revenue Practice Platform & the professional services that allow practitioners to enhance patient engagement & build stronger patient relationships, automate their processes

THE CHALLENGE

HelloHealth specifically wanted a floor kiosk that could take a lot of abuse, because patients were going to be using them to take care of their registration, payments, and appointment scheduling.

THE SOLUTION

The BrandMe iPad Floor Stand is made from high grade aluminum. The BrandMe is an innovative iPad stand that offers a complete and affordable solution for a custom branded security kiosk.
