# ABOUT US

Compulocks is the leading design manufacturer of IT hardware security and tablet display solutions for businesses and across industries.

With an in-house R&D team and an understanding of every work environment's needs, we provide our clients with high end customer specific products that elevate their work, operations, and communications.

## Quality Assurance

Durable materials for long-term usage

## Security Experts

Creating security solutions for over 10 years

## International Service

Operations in North America and Europe serving the world

## Fortune 500

Chosen by companies from start-ups to Fortune 500

## IN 2025, OUR FOCUS IS ON REINVENTION

With our design and engineering experience, we are committed to **improving the way people work.** We are launching new products that enhance connectivity and enable advances in technology to benefit every workplace.

# WE'RE GOING ECO

At Compulocks, we are committed to sustainability and recognize our responsibility to minimize our environmental impact. Our goal is to create innovative and secure solutions for our customers while ensuring our operations are conducted in a sustainable and ethical manner. This policy outlines our commitment to sustainability across all aspects of our business.

## Our Commitment

Compulocks is dedicated to:

Sustainable Product Design

Ethical Sourcing

Waste Management

Energy Efficiency

Environment and Regulation

*We prioritize the design and development of products that are durable, repairable, and recyclable.*

We make it easy to go green with our Renew & Recycle Program. Here's how it works, from start to finish.

# RENEW & RECYCLE

## Our New Eco Program

At Compulocks, we are committed to sustainability at every stage of our product lifecycle, including the end-of-life phase. Our Renew & Recycle Program empowers customers to return their end-of-life products, ensuring responsible recycling and repurposing.

**Stage 1**  
**Contact Us**  
Email [eco@compulocks.com](mailto:eco@compulocks.com) to get your free shipping return labels.

**Stage 2**  
**Send & Disassemble**  
Ship us your products, and we'll disassemble and sort materials.

**Stage 3**  
**Recycle Responsibly**  
Partnering with recycling companies, we ensure all parts are sustainably recycled.

**Stage 4**  
**Greener World**  
Together, we create a more sustainable future.

**Over 80%** of the materials from returned products are **either recycled or repurposed**, minimizing waste and supporting environmental stewardship. To further encourage participation, we offer **free shipping** from the customer's location to our warehouse, making it easy and cost-effective to contribute to a greener future.

# HOW DO YOU WANT TO MOUNT YOUR TABLET?

All Compulocks tablet holders can be paired with any of our floor, wall, or counter displays to fit every tablet and use case. **Compulocks allows you to create your best combination. Here are a few examples:**
