The completeness of the device was checked in my presence, I have no claims to appearance and the scope of supply

The manufacturer's warranty on the device in the United States of America is **1 (one) year**. The warranty period starts from the date of retail sale of the device to the end client. The service life of the device is **1 (one) year**.

The manufacturer at its option will repair or replace the device or any component of the device found to be defective during the warranty period. Replacement will be made with a new device or component.

Your country's laws regarding the sale of consumer goods may give you other rights. This limited warranty does not apply to such rights.

For warranty replacement, the device must be returned to the retailer, along with the receipt verifying the purchase.

For detailed warranty and service information, refer to the complete Installation and Operation Manual available at:

seasonal.aeno.com/usa#documents

For questions about warranty service for the purchased device, contact your local authorized service center or visit:
