FORTNAX

Gaming mouse GM-636

CND-SGM636B 5291485015596

CND-SGM636W 5291485015602

Introducing the Canyon Fortnax – the ultimate tool for gaming with precision and style. Engineered with a sleek and anatomic design, Fortnax features a convenient thumb rest for comfort and control during gameplay. This mouse is equipped with a powerful Sunplus 6662 optical sensor and offers unrivaled responsiveness.

With six sensitivity levels reaching an impressive 20000 DPI and a polling rate ranging from 125 Hz to 1000 Hz, Fortnax GM-636 allows you to fine-tune your settings for optimal performance. Take advantage of the nine programmable buttons to customize your experience and gain a competitive edge.

Built to withstand the demands of hardcore gaming, this mouse offers a lifespan of 5 million clicks. The enhanced Rainbow backlight features six dynamic modes, adding a vibrant touch to your setup. The 1.65m USB-A braided cable is rugged and reliable, while the lightweight construction at just 101 g enhances maneuverability.

Gaming mouse GM-11

CND-SGM11B 5291485007447

CND-SGM11W 5291485007454

The arms muscles tend to get tired during any activity, and especially during prolonged work at the computer. To help you play restfully without excessive muscle strain, we created a mouse with a weight of only 69 grams. Weight reduction is achieved due to an innovative perforated housing and a durable cable with a novel ultra-light weave. Pixart PAW3519 optical sensor, 7 robust programmable buttons, optional parameter setting software, and macros open up extensive customization options. The shape of the mouse is suitable for both hands, and the perforation lets air cool the palms, preventing them from sweating. Mouse feet are made of high molecular weight polyethylene so that it can glide on any surface flawlessly. An excellent weapon to win in your favorite games!

**OPTIMIZED RESPONSIVENESS
LIGHTWEIGHT BRAIDED FERRITE
RING CABLE**

Braid-coated cable and ferrite filter suppress high-frequency noise and improve signal speed and clarity. Durable and maneuverable, it is an integral part of high-quality mouse outfitting.

**7 PROGRAMMABLE BUTTONS
EASILY CUSTOMIZABLE
MULTI-FUNCTION KEYS**

You can customize macros and button commands for any gaming style or character. The mouse adaptability will allow you to achieve the best results in the game by fine-tuning settings to the specifics of your game character!

**ULTRA-HIGH MOLECULAR WEIGHT
POLYETHYLENE FEET PERFECT GLIDING
ON THE TABLE SURFACE**

The importance of mouse feet features is as high for the quality of a gaming experience as roller skates' quality for a good training session. In this model, we used ultra-high molecular weight polyethylene (UPE) to ensure the impeccable high-speed movement of the mouse across the surface.

**SOFTWARE FOR COMPLETE
CUSTOMIZATION ENDLESS CUSTOMIZATION OPTIONS**

The mouse software gives you unlimited customization options for any game genre. The flexibility of settings will allow you to create a player profile, assign macros, button functions, or DPI resolution. Great gear for a winner!

**OPTIMAL DPI RANGE
PIXART PAW3519
PROFESSIONAL- GRADE SENSOR**

Famous for the stable performance and high accuracy, the Pixart PAW3519 optical sensor can instantly switch between four preset DPI levels - 800 / 1600 / 2400 / 4200.

**6 RGB BACKLIGHT
EFFECTS IMMERSION INTO
THE GAMING ATMOSPHERE**

We created the mouse both as a functional and convenient gadget and as a flashy and aesthetic gaming accessory. Choose from six lighting effects to suit your mood, sit back, and get ready for the ultimate gaming and relaxation experience!

**REDUCES DISCOMFORT
FROM PROLONGED GAMING
PERFORATED HOUSING**

This eye-catching perforation is designed to decrease the mouse body weight, thereby reducing the strain put on arm muscles. Plus, the perforation enables ventilation to reduce skin sweating and make the mouse more comfortable during long gaming sessions. The lightweight perforated housing helps you maintain high reaction speed over time.

With a low latency of just 45 ms in gaming mode, you'll never miss a beat or experience any lag. There's also a dedicated Music mode, which ensures the best possible audio quality. The earphones use BT 5.3 for a stable and energy-efficient connection to your gaming device, allowing you to move around without worrying about losing your connection. With an impressive battery life of up to 4 hours on a single charge and up to 37.5 hours with the charging case, you'll never have to worry about running out of juice mid-game. Besides, the earbuds have a quick charge mode: from zero to full battery in just 60 minutes. It's worth noting that the charging case has a unique design that resembles the iconic Bumblebee. Available in black, orange, and yellow, this case definitely looks fresh in the world of gray and white earbuds. Get a next-level experience with DoubleBee – the new true wireless headset from Canyon Gaming!

Stereo gaming headset GH-8A

CND-SGHS8A

5291485009052

For a completely immersive sound experience without any discomfort during long Internet gaming sessions we have designed these computer headsets Canyon CND-SGHS8A. The shape of big ear cushions allows to use the headset as long as possible with maximum convenience. Stereo superior audio performance creates rich volume and a 360-degree feeling with balanced sound ambiance. This advantageous characteristic allows a player to figure out fast where every sound comes from. Convenient omni-directional microphone perfectly transmits voice, and a two-meter cable allows to be at an optimal distance from the computer. The optimal shape of the model, stylish and lightweight design, convenient volume and microphone control - all this will delight game enthusiasts of any genre. Included splitter makes these PC headsets CND-SGHS8A compatible with any modern device equipped with a combined 3.5 mm audio socket. Great value for the good price!

Wireless gamepad GP-W5
with touchpad for PS4

CND-GPW5

5291485003678

This wireless gamepad was made for ultimate gaming experience on PlayStation 4. The main innovation implemented into this gamepad is a built-in touchpad allowing more control over the game. The LED-lighting of the touchpad can be set up in your favorite color. Vibration feedback makes you feel every collision and crash of a game. The gamepad works within a range of 10 meters from its receiver using fast wireless connection technology. The M1-M4 buttons can be reprogrammed and remapped according to your personal gaming needs. Action repeat mode is switched on by turning on turbo mode. And forget about batteries - this gamepad is rechargeable, working for up to 10 hours on a single charge.

With touchpad

Wireless controller

Vibration feedback

Transmission distance up to 10 m

FEATURES

- o Wireless connection within 10 m range
- o 20 buttons
- o Rechargeable, including 1 m charging cable
- o Battery performance: up to 10 hours
- o Dual motors for sensitive feedback
- o Built-in touchpad
- o Smart LED-lighting
- o Vibration feedback
- o Turbo mode
- o Additional patented programmable buttons
- o Macro Functions
- o Smart LED-lighting
- o Compatible with PlayStation 4

STABLE 10-METER WIRELESS CONNECTION

Ultra-fast wireless connection technology allows to playing from the distance of up to 10 meters. The gamepad is connected to a gaming console via USB dongle.

SMART LED-LIGHTING

The gamepad has a built-in LED color panel that can be set up according to your favorite color. A perfect feature for team players - gather your tribe into a group of up to 8 players and be a leader.

BUILT-IN TOUCHPAD

Jump, slide, run, shoot! Using the touchpad you can control your character however you want - just swipe up to throw a grenade or double tap to accelerate. The touch panel is also handy when it comes to off-game text typing, so you'll never get stuck with login-password input and searching for a gaming hint on the internet.

PROGRAMMABLE BUTTONS

Let's create a real command Centre out of this small gamepad! You can reprogram all of the 20 buttons, including 4 patented M1-M4 like never before. Set up macros and destroy all your enemies in a single click.

MULTIFUNCTIONAL COOLING STAND

CS-PS5

CND-CSPS5W 5291485014773

CND-CSPS5B 5291485014780

The PlayStation 5 is a powerful platform capable of running amazing games. With all that power comes heat, and you probably noticed how hot your console gets during those intense gaming sessions. Well, we've got just the thing to keep your console cool as a cucumber: the Canyon PS5 Cooling Stand. This device has a built-in high-speed fan with three speed settings. That'll keep your PS5 running smoothly and prevent overheating, thus extending its lifespan.

We included the Type C cable of the right size to power this cooling system from the console's USB C port. The stand supports simultaneous charging for two original PS5 controllers, and an LED light indicator will show the charging status. There's another USB-A port to charge... well, whatever you want!

The stand also has adjustable RGB backlighting, because who doesn't love some cool lighting effects? There's a game disc storage for six keep cases, dust-proof game accessory storage on top, and a headset holder. Phew, that's a lot of features!

So if you want to keep your PS5 in great shape, this cooling stand is a must-have. Think of all the extra hours of gaming without any pesky overheating issues. It's a win-win.

FEATURES

- o Cooling system for PlayStation 5
- o Built-in high-speed fan

Gaming
CHAIRS

NIGHTFALL

Gaming chair GC-7

A comfortable and stylish chair for long gaming sessions and work designed by Canyon engineers! This gaming chair will last a long time thanks to a 1.5 mm thick metal frame, and a strong and stable metal five-pointed base with polyurethane castors. Dense filler with memory effect and high-quality eco-leather coating provide maximum comfort. To help you to take a rest without losing control over the game, there is a convenient reclining backrest with well-designed support for the head and lower back, which can be locked at any angle between 90° and 150°. You can choose the most convenient angle of inclination of the chair using the built-in «Top Gun» mechanism. The armrests move up and down, back and forth, and 15° in and out to provide extra comfort for your arms. Sit back and immerse yourself in the game. This chair will help you to get a true rest!

CND-SGCH7

5291485006617

- o Dense foam filler with a memory effect
- o High quality eco leather
- o 1.5 mm thick metal frame
- o 3D adjustable armrests

- o «Top Gun» mechanism
- o Tilted backrest 90°-150°
- o Last generation Class-4 gas lift
- o Comfortable headrest

- o Lower back support
- o Metal base
- o Silent polyurethane castors 60 mm
- o Maximum load up to 150 kg

HIGH-QUALITY LEATHER AND FOAM FILLING

The chair is covered by a high-quality eco-leather that echoes leather utilized in the interior of premium cars.

The cover is perforated for better ventilation, which makes the seat more comfortable for the player. It is easy to clean, resistant to damage, and pleasant to the touch. High-quality foam filler gently supports the body, thus helping muscles to avoid discomfort and fatigue.

HEIGHT ADJUSTMENT

The chair has a reliable gas lift, which allows you to adjust the seat height with maximum precision. Due to this, you can conveniently sit at any table, avoiding unnecessary strain on the arms and shoulders. Gas lift is made with the latest technology, which has undergone rigorous testing.

HEADREST SUPPORT

Winning in long battles is possible only when you're in a good mood and seated with maximum convenience. To ensure this, we equipped the chair with a soft cushion, which provides additional support for a head and allows a neck to rest. No more feeling of tightness in the neck and shoulders!

LUMBAR SUPPORT

The lower back is often subjected to excessive loads, so we paid special attention to the design of the lumbar support cushion. It will give you maximum comfort even if you want to play for many hours. Sit comfortably and win in long games!

FIRM AND STABLE BASE

5-star metallic base with 60 mm polyurethane castors provides the chair with excellent stability and quiet rolling on any surface. Thanks to this, the chair moves without excessive effort. Unfailing assistance for a perfect win!

BACKREST TILT

Take a rest without losing control over the game! You can recline the back of the chair 90°-150°, stretch, and give the muscles of the back and arms to relax. A few minutes of relaxation - and you can play again at full power!

«TOP GUN» MECHANISM

The Top Gun mechanism built under the seat allows you to tilt the chair slightly forward or backward. The force that you need to apply for tilting is easily adjustable by using a spring mechanism. If you prefer to sit on a chair locked in one position, use the special lock under the seat to make the chair stationary.

3D ARMRESTS

These 3D-armrests are designed with the use of the latest technology. They can be moved forward and backward, up and down, and also up to 15° in and out. This allows you to avoid overstrain in the arms for a long time. Get maximum comfort even after many hours of play!

METAL FRAME

This chair is reinforced with a 1.5 mm thick metal frame. This is important for better durability and stability of the chair, as well as improved handling. Besides, this frame makes the construction of the chair even more reliable.

CORAX

Gaming chair GC-5

Win like a boss in this high-end gaming chair. It looks nice, feels even better and the sheer amount of adjustments is all you could ever expect from a chair. It is well-balanced by a smart mechanism «Multiblock» that provides ideal tilt using the weight of your body. The headrest and lumbar cushions are very supportive and comfy. It's ergonomic design based on a strong 1.5 mm metal frame is prepared for the longest sessions of gaming. Cold memory foam that fills up the whole chair and high quality eco leather perfectly adjust to the unique shape of your body providing endless hours of comfort. 4D adjusted arms make your hands comfortable like never before. If you're serious about your sit time, then you'll have to seriously consider this one. Your body will thank you later.

CND-SGCH5

5291485004309

- o 1.5 mm thick metal frame
- o 5 Star metal base with 60 mm Polyurethane castors
- o Last generation Class-4 gas lift
- o Headrest cushion

- o Multifunctional balancing mechanism «Multiblock»
- o High quality eco leather
- o Dense cold memory foam filling up the whole chair

- o Lumbar support cushion
- o 4D adjustable armrests
- o Tilted backrest 90° - 165°
- o Tilt locking system
- o Maximum weight of chair load - 150 kg

HIGH-QUALITY LEATHER AND FOAM FILLING

The chair is covered with pleasant-touch an high-quality eco leather that is durable and easy to clean. Under the overage, a dense original foam is placed. The foam keeps the shape of your body even after you are not in the chair. It surrounds your back, allowing to keep your muscles comfortably toned and makes long-time sitting a real pleasure.

HEIGHT ADJUSTMENT

Unlike many chairs that actually sit pretty low to the floor, this chair has powerful class-4 gas lift that allows to easily make your seating fit the height of your desk. Canyon uses the latest generation gas lifts that are carefully tested and only the best are selected.

HEADREST SUPPORT

No more pain in the neck and shoulders! The soft headrest cushion provides additional support to your head and makes your neck relaxed. Outrank your enemies by keeping strong and sure in-game performance.

LUMBAR SUPPORT

The brilliant thing is that you can use lumbar support cushion to keep your lower back comfortable during all-night long gaming sessions. The battles are won only when sitting experience is 100% satisfying.

FIRM AND STABLE BASE

The presence of a 5-star metal base, supports a maximum weight of chair load up to 150 kg and provides greater strength, durability and stability. Large 60 mm polyurethane castors slide freely and quietly on any surfaces. The chair provides comfortable movement during sitting or playing game. Unfailing help for an ideal victory!

BACKREST TILT

Make a pause between harsh gaming battles. Tilt the backrest in the angle of 90°-165°, stretch your back and relax your lumbar area. In a few minutes you will be ready for a new adventure. Multifunctional mechanism "Multiblock" matches your body weight and helps to adjust balance and tension for effortless and secure gaming, without any muscle fatigue. Tilt locking system ensures the most reliably locked position of any part of the chair under all angles.

4D ARMRESTS

The armrests can be adjusted in all possible directions: vertically, horizontally and side-to-side with maximum flexibility. Your elbows will feel right even during the most intense battles. This feature helps you to keep your thighs up even in the lowest sitting point and feel yourself in maximum comfort through hours of gaming.

METAL FRAME

1.5 mm metal frame strengthens the whole chair permeating all its parts with no compromise. It makes all your actions firm and make sure you won't miss your decisive shot. It's shape provides sleek and attractive aesthetic.

DEIMOS

Gaming chair GC-4

Gamers looking for an all-round gaming chair should consider this model. It is built with a firm 1.5 mm metal frame and has a fantastically built base with 60 mm Polyurethane castors that will offer your hours of comfort. High-quality memory foam under awesome eco leather covering will turn the longest gaming session into a real pleasure. The chair has full reclient function and you'll be able to lock it in any angle between 90° and 165° when you want to sit back and relax from intense battles. The arms can be moved up-down, back-forth and 15 degrees inward and outward to provide extra comfort for arms.

CND-SGCH4

5291485004293

- o 5 Star nylon base with 60 mm Polyurethane castors
- o Last generation Class-4 gas lift

- o Original foam for back and cold molded foam for seat
- o High quality eco leather
- o Headrest cushion

- o Lumbar support cushion
- o 3D adjustable armrests
- o Tilted backrest 90° - 165°
- o Maximum weight of chair load - 150 kg

HIGH-QUALITY LEATHER AND FOAM FILLING

The chair is covered with pleasant-touch an high-quality eco leather that is durable and easy to clean. Under the overage, a dense original foam is placed. The foam keeps the shape of your body even after you are not in the chair. It surrounds your back, allowing to keep your muscles comfortably toned and makes long-time sitting a real pleasure.

HEIGHT ADJUSTMENT

Unlike many chairs that actually sit pretty low to the floor, this chair has powerful class-4 gas lift that allows to easily make your seating fit the height of your desk. Canyon uses the latest generation gas lifts that are carefully tested and only the best are selected.

HEADREST SUPPORT

No more pain in the neck and shoulders! The soft headrest cushion provides additional support to your head and makes your neck relaxed. Outrank your enemies by keeping strong and sure in-game performance.

LUMBAR SUPPORT

The brilliant thing is that you can use lumbar support cushion to keep your lower back comfortable during all-night long gaming sessions. The battles are won only when sitting experience is 100% satisfying.

FIRM AND STABLE BASE

5-star nylon base ensures stable seating and large 60 mm Polyurethane castors roll quietly and freely on any surface. The chair becomes very supportive and provides comfortable moves while seating. Unfailing assistance for a perfect win!

BACKREST TILT

Make a pause between harsh gaming battles. Tilt the backrest in the angle of 90°-165°, stretch your back and relax your lumbar area. In a few minutes you will be ready for a new adventure.

3D ARMRESTS

The armrests can be adjusted vertically, moved back and forth and 15 degrees inward and outward as well. They provide flexibility to make sure your elbows feel right during intense battles. This feature helps you to sit tightly and confidently through hours of gaming.

METAL FRAME

1.5 mm metal frame strengthens the whole chair permeating all its parts with no compromise. It makes all your actions firm and make sure you won't miss your decisive shot. It's shape provides sleek and attractive aesthetic.

FOBOS

Gaming chair GC-3

This chair would be a good find for a savvy gamer who builds his sporty gaming set for a smart price. By serving all gaming needs, this chair will make a dexterous crazy racer out of a starter gamer. Its 1.5 mm thick metal frame provides high stability and durability. A dense moulded memory foam under firm eco leather covering provides the feeling of comfort during all-night long gaming sessions. The chair has all functions to provide good and healthy sitting posture. And it's cool design brings captivating gaming experience.
